<> ===== **MicroNations NEWS:**

<> **2016 is Break-out Year for MicroNations:**

2015 and before, there were about 98 MicroNations.

2016 & 2017 represent the Formation of the **United MicroNations (UmN)**, **Micro-United Nations (mUN)**, which will more than quadruple the number of MicroNations in the World & beyond.

<> ===== **USA MicroNations News:**

<> **01/2017 University Fraternities, Sororities & Fan Base:**

MicroNations Game has **Tournaments**. Gamers post the Winners on the MicroNations Game User Groups on Yahoo, Google+, Facebook, & Twitter. Marketplace is growing with more New MicroNations joining our United-micro-Nations.

<> **2016 American Redoubt MicroNation protests in the Pacific Northwest, USA:**

Thousands have cashed in their life savings, bought gold & Bitcoins, then moved here as Homesteaders. Survivalists of the Prepper Movement parade their guns, ammo belts, throwing knives, & aged pheasants, through the makeshift off-the-grid villages & steel bunkers. Hand-cranked Amateur Radios are their windows to the world, contacting ColoRadio MicroNation daily. Leader - Ben Dover, KYAG, "We are ready when the next Solar Flair or Electromagnetic Pulse hits!"

<x> **04/2015 Anaheim, CA, USA: Micro Con 2015 - first ever.**

MicroCon 2015

Anaheim, CA - 11 April 2015

A MEETING OF THE DENIZENS OF THE MICRONATIONAL WORLD!

17 MicroNations were in attendance, next to Disneyland. (Please refer to the Article in *the Week Magazine*, 06/04/2015). Molossia & Westarctica were major players.

<x> **06/2015 Astoria, Oregon, USA: "Fake Orca's mission is a flop"**

A 32-foot motorized fiberglass replica Killer Whale was used to scare off hundreds of Sea Lions on Oregonian Docks. It Capsized. (from the Los Angeles Times Newspaper). Whole Earth Enlightenment (WEE) MicroNation took objection to this sham Orca. The Enlightened Sam said, "We have been advocating for the Whales for decades. Greenpeace has joined our crusade. I disavow any part in the demise of this plastic false orca. I cannot speak for those Greenpeace folk." WEE banished that Orca Whale & it's Owner, Gail Storm, from Membership in the Save the Whales MicroNation.

<x> **2016 San Diego, CA, USA: "SeaWorld's image problems"**

Orca Whales & Killer Whales in captivity stopped performing for Visitors at SeaWorld Entertainment Inc. Breeding Programs continue. WEE MicroNation Head of State sits in the Bleachers weekly for the non-Whale Shows. Why? He paid for 1 Admission, & got the rest of the year for free. Good Economics for WEE Imports. Ivana Refund was disallowed.

<> ===== **United MicroNations (UmN) News:**

<> **2015 United MicroNations (UmN) is Formed:**

New MicroNations are submitting their Credentials to the **United-micro-Nations (UmN)**, **micro-United-Nations (mUN)** for Membership.

<> **2016 Wonder Woman, 75 years old, named then stripped as United Nations Ambassador:**

October, Diana of Themyscira is honored with the title of U.N. Honorary Ambassador for the Empowerment of Women & Girls. December, our Superhero lost that battle of distinction - despite her Lasso of Truth The Amazonian Princess succumbed to the U.N. Staff Member's silent protest, & an online petition. Tammy Whynot, "Fictional Character with indestructible Bracelets & Tiara, loses to a Real-life woman." Xena de Crime, "Comic MicroNation loses again!"

<> **2016 United-micro-Nations verses micro-United-Nations (UmN vs. mUN):**

() Listening to the Debate on the United-micro-Nations Floor, the Members are quite divided on the use of the initials - **UmN** or **mUN**. We encourage your feedback also.

() Nations in the real United Nations (UN) have voted on this issue, too. So far, no MicroNation has gained Diplomatic Recognition.

() Please Vote, & tell us why you voted for UmN or mUN. www.UnitedMicronations.com or eMail to **info@MicroNationsGame.com**

<> ===== **WORLD MicroNations News:**

<> **Germany leads the World in creating & publishing STRATEGY BOARD GAMES.**

Favorite Board Games & Online Games such as ***Puerto Rico, Settlers of Catan, Caverna***, & more. Tabletop Board Games are wunderbar!

American Board Gamers unanimously love these German imports. Tournaments abound! Game of the Year (GotY) for new Board Games competition is stiff & heated.

() Creators of the German Strategy Board Games place their Names prominently on the Box. They have a Following. They are Celebrities. We can be, too!

<> **2016 France: Towns opt-in for Digital Currencies – Coopek, & la Pêche:**

Vouchers, & la monnaie, are valid here. The Townsfolk are happy! Robin d'Cradle, "My gourmet store accepts these currencies: Euros, CanBarter Scrip, Bitcoin, & New World Visa." However, when the evil Reamski MicroNation flooded the French's marketplaces with counterfeit scrip ... not-so-happy.

<> **2016 Reamski MicroNation: Boris, "We good men. No do those things.":**

French Townsfolk take Reamski to the **micro-United-Nations Court** for la monnaie crimes. Transcript: Igor, "Frenchies want fair. Life not fair. You want fair, I take you to Reamski State Faire!". Crystal Vanish, "Our quality goods vanished. Their monnaie was like European toilet paper (it was)." mUN Prosecutor, "What would happen if I paid for food at your Reamski State Faire with your Reamski monnaie?" Nicolai, "Our enforcers would ... strike that from the record."

The Court's verdict will be issued later this year. Vote at www.MicroNationsGame.com

<x> 2015 PoliNation 3rd Conference, July 4-5, 2015:

The Free Republic of Alcatraz, Perugia, Italy hosted their third Annual Conference. At least 13 MicroNations attended.

<http://www.micronationconference.com/delegates.html>

<> **For 18 Years: “Emojis live forever!”:**

Emojicon in San Francisco, CA, USA, October 2016: Emoji Karaoke is a silent affair, for the 500 attendees. No one was singing to Cyndi Lauper’s “Time After Time” – just texting emojis. 74% of smartphone users use emojis daily. Unicode Consortium Non-profit MicroNation sets the standards, & approves only 70 new emojis per year. This universal language supplanted Esperanto (waz dat?) in 1999. Cartoonish, Sexy, no emojis have ever been rejected. European-micro-Union (EmU), “We should send all these Refugees & Asylum Seekers there – they all have cell phones!”

<> **For 10 Years: Fake American Embassy in Accra, Ghana:**

An “Official Office” acted as a Diplomatic Mission flying an American Flag 3 days per week. Visa Applications & Fake Passports with Visas were issued at \$6,000 each - now closed in 2016. A Fake Dutch Embassy was also in operation. The United-micro-Nations refused to allow these two fraudulent entities to join our organization.

<> **Next 10 Years: Satellites MicroNation union will be formed:**

SpaceX wants their constellation of 4,425 Satellites talking to each other. Ham Radio Amateur Operators talk daily to the International Space Station (ISS, formerly Soviet’s Mir). Galileo wants in. Google wants AI for its Satellites. Our Cell Phones love the GPS. If the Satellites MicroNation chooses to leave the micro-United-Nations, we would all lose our connectivity. Back to the good ol’ Radio days! American Redoubt & ColoRadio are planning to celebrate big!

Please Enjoy our new Board Games, eBooks, Apps, and/or Websites: **Game of MicroNations** gives you a tremendous amount of Power to wield. Once you Create your own MicroNation, you join the World of MicroNations, (some have been in existence for hundreds of years)! Most MicroNations are a "Country within a Country", a Concept, or Virtual. If you reside in a Developed Country, or Recognized Land, you are beholden to their Laws. Installing and/or Using all or any part of our Software makes you beholden to the EULA and this enforceable Agreement, and the Laws of the United States of America, also, as are we. Here are some of the Legal Documents our Game of MicroNations and Users agree to, as will you and your MicroNation, and any Third Party or other Person:

Leaders & Rulers of MicroNations - Caveats: **Role Playing Games (RPG)** involve Storytelling, Role Playing, Fantasy, Assumed Identities, Real or Imaginary Personages, Origins, Players Content, Comments, Graphics, Photos, Images, Flags, Coats of Arms, Ringtones and Music, your Set-up Inputs, Influence Peddling, Cajoling, "Backroom & Corridor Deal Making", and much more. In the Game, it is difficult to be sure about what is true, an exaggeration, a lie, a deceit, or a strategy. Are they really who they claim to be? Please consider carefully before you disclose true personal information about yourself you should not, or that you would regret later having disclosed. And foremostly, have fun!
